HEIRLOOM GALLERY WRAPS

Our Gallery Wraps offer a striking way to present your images. We print your retouched image on a special Canvas material and wrap it completely around the 1.5" or 2.5" stretcher bar. The outer edges of the stretcher bar are covered with the image. A protective gel coating is then applied, and backing material and a hanging device are added. Gallery Wraps are delivered "ready-to-hang" and a frame is not needed
